SEPTEMBER STARTING ARRANGEMENTS

All students return to school on Wednesday 3rd September 2025. They should be on site at 08:25. Year 7 students will line up on the MUGA where staff and students will be there to greet them. Years 8 -11 will go straight to their form room.

WELCOME BACK TEAM MOORSIDE

We are very much looking forward to welcoming all students back to school on **Wednesday 3rd September 2025 at 08:25.**

During the first two periods of the day, all students will receive their school planner, timetable, knowledge organiser and will spend some time with their form tutor refreshing our expectations and 'The Moorside Way'. It is vital that students arrive on time and are ready to start their academic journey of 2025-2026.

Hopefully the information within this booklet will support you in ensuring they are ready for a positive start and a fantastic year at Moorside High School.

If you have any questions before the start of term, please do not hesitate to contact us at MHSinfo@consilium-at.com or check the school website www.moorsidehigh.co.uk

We will also be posting top tips on our social media.

THE MOORSIDE WAY

#TEAM MOORSIDE

Play your part in the positive learning environment

Use technology appropriately

Wear correct uniform

Planner, equipment, knowledge organiser out on desks

Complete all homework and hand in on time

Listen and follow instructions first time

Move around the corridors sensibly

Look after school property and keep the school tidy

Arrive on time to school and lessons

Be respectful to everyone

This year we will be continuing to embed 'The Moorside Way', ensuring that students are socially responsible and demonstrate our school values of:

CONSIDERATION ASPIRATION RESILIENCE EQUALITY

Students will be rewarded for demonstrating these values. They can also gain extra rewards during 'Wonderful Work Wednesdays'. Students will be rewarded for work completed in lessons that shows they have demonstrated extra care, attention and effort in the work they have produced. This is additional to the 'Golden Lesson' awards that students can receive.

SCHOOL UNIFORM

The intention of the uniform policy is to promote pride and responsibility in our students in preparation for adult life and to ensure equal opportunity without extremes of fashion. We take great pride in our uniform and appearance and our high standards and expectations require all students to always wear their full uniform correctly. Having a clear policy and sticking to it also drastically reduces the amount of time wasted with constant debates about what the policy should be or what exceptions students want us to make. Having the support of parents/carers, as always, goes a long way to reducing the number of conversations we have to have about uniform and appearance and supports the smooth running of the school.

Black 40 denier plain tights with a skirt

Black ankle socks with trousers

Yr7-10 Yr11

No trainers or trainer style shoes

Sensible school bag

No hooded tops

Not wearing the correct uniform will result in a consequence being issued. Parents/Carers will be informed via ClassCharts if this is the case. #TheMoorsideWay #DressSmartThinkSmart

Do not forget, we have our Pre-Loved uniform recycling scheme and have had many items of good quality uniform handed in for re-use. If you would like to enquire about these and find out what is available please email MHSinfo@consilium-at.com All items are available free of charge and we find many students and families bring items to swap, which really helps everyone out. We have done as much as possible to continue to keep the cost of our uniform down. Students do not have to wear a branded PE kit as long as the items they are wearing are navy blue. We have also provided our new Year 7 and Year 11 students with a new tie. Should you require any support with the purchase of the uniform, please do not hesitate to contact us at MHSinfo@consilium-at.com where we will be happy to help.

More information about our summer uniform for HT6 will be provided at the start of the school year.

POLITE REMINDERS

In order to avoid the same conversations, we seem to have each year with the students, please see a few polite reminders below:

Jewellery of any description is not encouraged and is not practical for many reasons. If worn, i.e., necklace, it must not be seen. All Jewellery must be removed for PE activities and if brought into school, it is entirely at the student's own risk.

Piercings: Boys and girls are allowed to wear stud earrings.

Hair: only conventional styles, cuts and natural colours are permitted.

Natural looking make-up is permitted. Students will be requested to remove excessive make-up. Nails must be natural.

It is the school's policy that mobile phones should always be kept switched off and in school bags throughout the school day.

If a mobile phone is brought into school, they must not be kept in pockets or carried around. If they are seen or heard and not in a bag, they will be confiscated.

Allowing access to mobile phones in school introduces complexity and risks including distractions, disruption, bullying and abuse. By having this rule, it allows for a digital detox for students during the school day which has many health benefits. This also goes for headphones/air pods etc.

Any confiscated phones will be locked away in the school safe and can be collected and signed for at the end of the school day.

As a school, we encourage alternative modes of transport to and from school to ease motor vehicle congestion in the morning and at home-time. With this in mind, we welcome the use of bicycles and scooters and provide suitable stores around campus.

However, to ensure everyone is kept safe on the campus, all students must dismount from their bicycles or scooters upon entering the grounds.

For more information regarding the above, please see our Behaviour Policy

POLITE REMINDERS

We need all students to be prepared and ready to learn. Student should always ensure they have the correct equipment and books with them each day.

As a minimum, students should have:

- Pencil case
- 2 Pencils
- 3 Black ball point pens
- 2 Red pens
- Pencil sharpener
- Rubber/eraser
- Compass/Protractor
- Glue stick
- Ruler (15cm minimum)
- Scientific calculator
- Highlighter
- Re-useable water bottle
- PE Kit if they have PE during the day
- Any food technology ingredients required to bring in.
- Any exercise and textbooks that have been taken home that are required for the day
- A reading book – to be brought into school every day

Students will be provided with a school planner to support with their organisation. The planner is an essential piece of equipment and should be placed on the desk in every lesson and in standards time. Students should use their planners to record their homework, set targets for the week and record their attendance. If a student needs to leave a lesson, the teacher will also be required to write a note within the planner. There are also useful pieces of information such as information on the school dress code, rules, equations and space to write key words from lessons. Students should write their timetable in their planner on the first day of term. The planner will be signed every week by form tutors who will check it is being used properly, that there is no graffiti, and it is free from damage.

Students will also be given a Knowledge Organiser booklet at the beginning of the academic year. Knowledge Organisers are a summary of the key facts and essential knowledge that students need about a unit of work or a curriculum subject. Students can use the Knowledge Organiser booklet to assist with their learning in lesson, as a revision tool and a reference point for homework.

If a planner or Knowledge Organiser is lost or is deemed to be in an unacceptable state by a Form Tutor, Head of Year or member of the Senior Leadership Team, students will be asked to buy a new one from the school reception. These are charged at the cost price of £3.

ATTENDANCE & PUNCTUALITY

We expect all students to attend school on a regular basis. It is the responsibility of parents to ensure their child's regular attendance to school (Section 444, Education Act 1994). Above 96% attendance is seen as a good level of attendance and the Department for Education sets a minimum expectation of 94% attendance for all students. All attendance will be tracked on the Arbor App.

Less than 92% becomes a concern and students will be closely monitored by the school's Attendance Officer. You may be invited in for a formal meeting with the school. Less than 90% will result in referral to the Local Authority Attendance Officer, which could lead to prosecution. Holidays will not be authorised unless circumstances are exceptional.

Any student arriving late to school will receive a consequence. If a student is persistently late without a valid reason, they will be referred to the Local Authority. If a student arrives after the register closes, this will result in them losing their a.m. mark and receiving a U code in line with government guidance, this will affect their attendance. Registers close 30minutes after the start of the day.

CLASSCHARTS & REWARDS

ClassCharts enables us to share behaviour information with parents/carers. Within the software there are a number of functions that will provide an overview of a student's achievement and behaviour data within a customisable timeframe. Parents/carers and students will be able to interrogate the system to find the detail behind each behaviour event. One of the advantages of this system is that it will provide the granular detail, including every log that is recorded.

The main aim of the system is to provide positive praise points which link into our rewards policy. We are really pleased that we are going to be having a much bigger focus on the positives and with the introduction of ClassCharts, rewarding students for doing the basics and getting it right.

Each fortnight (week B), students will go into a draw to win prizes if they have achieved a certain number of ClassCharts points. There is also the opportunity for students to achieve the 'Golden Lesson' Award. This will be awarded to one student in a lesson that has gone above and beyond and tried hard or contributed well to the lesson. These students will be issued with a golden ticket that they can put into a box on reception. We will also be having fortnightly draws for 100% attendance (week A), as well as our Wonderful Work Wednesdays each week.

The Rewards Pyramid for the first term includes:

CONSILIUM PASSPORT

The Consilium Passport provides opportunities for students to gain leadership experience and recognises their achievement of different levels of 'Passport Colours'.

If students are in Year 7 and 8, they can work towards Lower Bronze, Lower Silver, and Lower Gold achieving a certificate and badge to recognise their hard work, as well as House points. In Year 9, 10 and 11, students can work towards Upper Bronze, Upper Silver, and Upper Gold Leadership Colours.

At each level, students must complete 5 leadership activities from the list to achieve the award - these are indicated in the Consilium Passport Booklet that all students will receive. Form Tutors or the member of staff running the activity can sign off the activity in the Consilium Passport - students need to let them know what they have done and who with, and they will initial and date the record. To achieve Gold on both lower and upper students must also complete two of our C.A.R.E values activities.

We cannot wait to see the how many students can achieve the awards this year and proudly wear their passport colours on their blazer lapel.

EXTRA-CURRICULAR ACTIVITIES

Wellbeing is important. When we have good wellbeing, we feel good, and we function well. If you have good wellbeing, you will find that you have positive relationships and some control over your life. If you have feelings of happiness, contentment, curiosity, and engagement you will feel like you have a sense of purpose.

To support students with their wellbeing, we have a vast range of extra-curricular activities. These range from sports clubs, drama, art and music clubs to mythology, lacrosse and chess.

In September, there will be an enrichment fair for all Key Stage 3 students to attend and sign up for the clubs and activities.

This year, we are also hoping to run many more trips and visits, so watch this space for both subject focused and cultural trips.

We have lots of fantastic things planned for the academic year 2025-2026, so make sure you follow us on Social Media. We use both Twitter and Instagram to showcase all the wonderful things that happen within school on a day to day basis.

These accounts are information only and not a two way communication tool. If you wish to contact us, please email MHSInfo@consilium-at.com

Students can also share ideas, provide suggestions and solutions via our 'Speak Up, Speak Out' platform. Any concerns regarding safeguarding can be reported anonymously via the SHARP system on the school website.

A campaign poster with a dark blue background. At the top right is the 'Consilium Academics' logo. The central focus is a large white speech bubble containing the text 'SPEAK UP, SPEAK OUT' in bold, dark blue capital letters. To the left of this bubble is a smaller white speech bubble with the text 'Something not right, or have a good idea, would you like to make a difference...'. Below the left speech bubble is a white megaphone icon. In the center, below the megaphone, is a white rectangular sign with the text 'SPEAK UP, SPEAK OUT #TEAMMOORSIDE'. At the bottom of the poster is a white silhouette of a group of people standing in a line. To the right of the group is a QR code. Below the QR code is the text 'Your name & email will be registered when you log a comment'. To the right of the QR code is a small white speech bubble with the text 'TALK TO US'. On the far right is a large, faint circular logo featuring a stylized 'M' and a lion.
