Enriching Lives, Inspiring Ambitions

Friday 22nd October 2021

Dear Parents and Carers,

I write to share the extremely sad and upsetting news that one of our staff members has passed away peacefully last night, following a recent battle with cancer.

Mr Carter has been an integral part of Moorside High School for a number of years. Not only was he a valued member of the team, he was an ex-student many years ago. Mr Carter has been an employee for a good number of years and also very proudly, the parent of children who have attended our school.

As you are aware, yesterday our school community held a very high-profile day, raising awareness of Cancer and specifically Macmillan Cancer Support. As a school community we raised over £1000 and we are grateful to everyone that contributed. The highlight of the day was Miss Dolan, 'Braving the Shave', alongside students and staff wearing a pink item.

I know this news may touch people in a number of different ways. Having been to the family home this morning, to pass on our sincere condolences from the whole of the TEAM MOORSIDE community, I felt it appropriate to share this news with you.

The 'Brave the Shave' page is still open for those parents, carers or members of the community wishing to donate; <https://bravetheshave.macmillan.org.uk/shavers/sandra-dolan>

I know we will all keep Mr Carter's family in our thoughts at this very sad time.
