January 2022

Dear Parents and Carers

As part of their Engineering & Design qualification your child will be sitting their external examination on the morning of Tuesday 11th January 2021. The exam lasts for 1 hour and along with their coursework will go towards their overall qualification grade. Pupils have been studying the exam content since September 2021 and revision materials have been provided on Microsoft Teams. There are opportunities for re-sitting the exam which can be discussed following the release of the results.

Yours faithfully

Mrs A Sargent

Assistant Head of Design & Technology
