

# Moorside High School

Enriching Lives, Inspiring Ambitions

January 2022

Dear Parents and Carers

Firstly, can I thank you for all the support that you have given us throughout the year so far. As we move forward with our approach to optimise learning, we want to work proactively and productively to continue to offer the best possible education for your child. I have analysed the work produced by the students in the 'A' classes and their November mock exam papers. Following consultation with the class teachers and the students themselves, I feel your child would benefit from concentrating on the foundation tier maths papers rather than the higher tier. Therefore, we will be creating an extra maths set, with changes taking place from Monday 10<sup>th</sup> January 2022.

## Current Structure

Class	X Band	Class	Y band
11XA	Teacher – CHI Tier – Higher	11YA	Teacher – CSM Tier – Higher

## New Structure

Class	X Band	Class	Y band
11XA1	Teacher – CHI Tier – Higher	11YA1	Teacher – CSM Tier – Higher
11XA2	Teacher – JNE Tier – Foundation	11YA2	Teacher – JNE Tier – Foundation

The benefit of the new structure allows us to better cater to the capabilities of each student. Moreover, the addition of an extra class in each band will reduce the class size, therefore enabling teachers to focus more time on individual and group needs.

I am delighted by the opportunity this new structure creates and how it will enhance what we are offering to the students as a department. I again thank you for your understanding and ongoing support.

If you wish to discuss these arrangements further, please email [mhsinfo@consilium-at.com](mailto:mhsinfo@consilium-at.com).

Yours faithfully

Mr J Pinches  
Director of Mathematics

Head Teacher: Mr C Davis • 57 Deans Road, Swinton, Manchester, M27 0AP • Telephone: 0161 921 1045 • [www.moorsidehigh.com](http://www.moorsidehigh.com)
