RE: Consilium Community Engagement Survey

Dear Student,

As you may be aware your school is a part of Consilium Academies. As part of Consilium your school works in partnership with our family of schools to ensure that your education is the best it can be, and make sure you receive all the support you need to achieve your dreams and goals for the future.

As part of Consilium, we are dedicated to doing all we can to support you, your school, and your local community. This is why we have launched the Consilium Community Engagement Survey, as we want to receive direct feedback from you on how we can further help you achieve your aspirations. We also want to hear how you feel about being part of the wider Consilium family. This is the opportunity for you to tell us how we're doing and guide us into knowing what we could do better, and where our future priorities should be placed.

You are a vital member of our community and we value your opinions and feedback as we strive to be even better and provide you with great opportunities and the best education, allowing you to succeed in and out the classroom.

You will be given time while at school to complete the survey which should only take a few minutes. It's important that you take time to consider your answers to this survey so we get a true picture of what's going well, and what we can do even better.

I am really excited about the opportunity to hearing from each of you, and making sure that your ideas are used to decide our next steps.

We need to receive as many responses as possible so we gain a real understanding of your views and how we can make your school day better. So, we will be giving away a £100 gift voucher to one lucky respondent to the survey. Make sure you complete the survey before 21st February so you have a chance of winning.

We look forward to receiving your responses and hearing your thoughts.

Yours faithfully,

David Clayton
