Y11s: Information for College & Sixth Form open events

Open Events are really important to attend if you are thinking of doing further studies after your GCSEs. It is your chance to RESEARCH different places and courses, and find out what options are best for YOU.

Even if you are not thinking of this pathway (for example if you want to do an apprenticeship instead) it is still important to consider researching colleges or sixth form as a backup plan; so still try and visit a few places!

- Before you attend an open event, it is a good idea to do some research first - check on the college or sixth form website to see if they offer the courses you are interested in - this can also help explore different options if you are not sure what courses you want to do yet
- You can attend as many open events as you like - in fact, it is a good idea to attend at least 2 or 3 different places so you can make a fair comparison
- You are welcome to bring along family members and friends (just double check college websites in case you need to register!)
- Make sure you ask lots of questions - for example you might have questions about different courses, about the entry requirements (what GCSE grades you might need) or questions on careers or university. **Don't be afraid to ask the colleges if you have any questions or worries - they will be happy to help! 😊**
- There is no commitment to apply to a college or sixth form at an open event (application deadlines are typically around Christmas time and you can request support for this in school)

Careers Advice & Guidance

All Y11 pupils will be offered a **Careers Guidance Interview** with Mr Farmer, the school careers adviser, from September 2022 onwards to discuss future plans after Y11.

Mr Farmer is available in Moorside High Monday, Tuesdays and Wednesdays and is based in the Careers Office
(1st floor, opposite performance hall - near Maths corridor)

To request a meeting with Mr Farmer, pupils can see him in school or ask your form teacher to request this for you. You can also request a meeting through Mr Halsall, Head of Year 11.
