Ref: Additional Sports Studies Session

Dear Parent/Carer

I am writing to let you know about an opportunity that we are offering to your child on Friday 21st October 2022. As you are aware, your son/daughter is currently studying for their GCSE Sports Studies course. This course relies heavily on several pieces of coursework, alongside an external exam.

To offer some extra support to students, we are inviting all Sports Studies students in to school on Friday 21st October 2022 (Inset Day), between 11:30am and 2:30pm. The aim of this extra time is to offer additional support in completing their coursework - 'The Media in Sport'.

We appreciate that completing coursework at home on their own can often be a challenge, so for this reason, we would strongly recommend that they attend this session which will take place in B101. Mr Higham will be available to sit with the students and talk them through what is required to get the best possible grade. Students have a final deadline of the 20th December 2022 to complete this work, but with the Mock exams starting after the half term break, we know that many students may avoid completing this work, which will impact their overall grade.

We would be very grateful if you could encourage your child to attend this extra session, refreshments will be available for them throughout the afternoon. By attending this extra session, it will allow students to keep on top of the deadlines and ensure that they are well prepared for the external exam.

All students are aware of what is required and have already been given the following dates:

Thursday 3 rd November	Deadline Learning Objective 2 - The Positives of the media in sport
Thursday 24 th November	Deadline Learning Objective 3 - The Negatives of the media in sport
Thursday 15 th December	Deadline Learning Objective 4 - Relationship between sport and the media
Tuesday 20 th December	Final Deadline.

Following the half term break, should your child still require additional support in meeting these deadlines, they will be invited to extra sessions to support them.

Many thanks for your support, I look forward to seeing your child on Friday for the additional session.
