National Careers Week

NCW

National Careers Week: 6-10th March 2023

National Careers Week is here!

During careers week, there will be an additional focus on careers related learning during R time and PSHE programme. In addition we have provided some additional resources that both pupils and parents might find useful when exploring careers at home:

xello

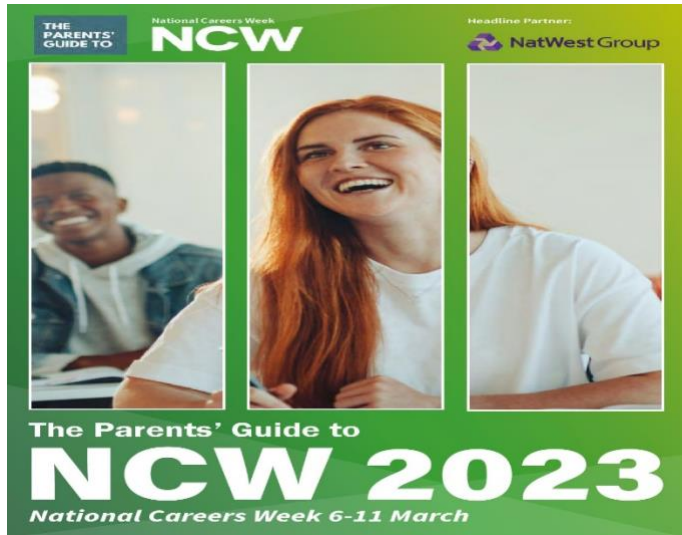

All pupils - from Year 7 to Year 11 - have access to an online career platform called "Xello". This is an interactive resource which can help suggest careers or job areas that may interest pupils in the future based on their skills, interests and personality!

For pupils to log in to Xello:

- 1) Visit the website: <https://gmacs.co.uk/schools>
- 2) Click the red "Log in" button on the right-hand side of the website
- 3) Username = pupils school email address
(MHSforename.surname@consilium-at.com)
- 4) Password = moorside (if never logged on) If previously logged on, pupils will have chosen their own passwords.

Pupils should contact Mr Farmer for any difficulties with logging in, or email simon.farmer@consilium-at.com)

Once logged in, pupils should complete the various different tasks and quizzes in the “About Me” section to see which career areas may be matched to them, and pupils can research various different job roles using the search function.

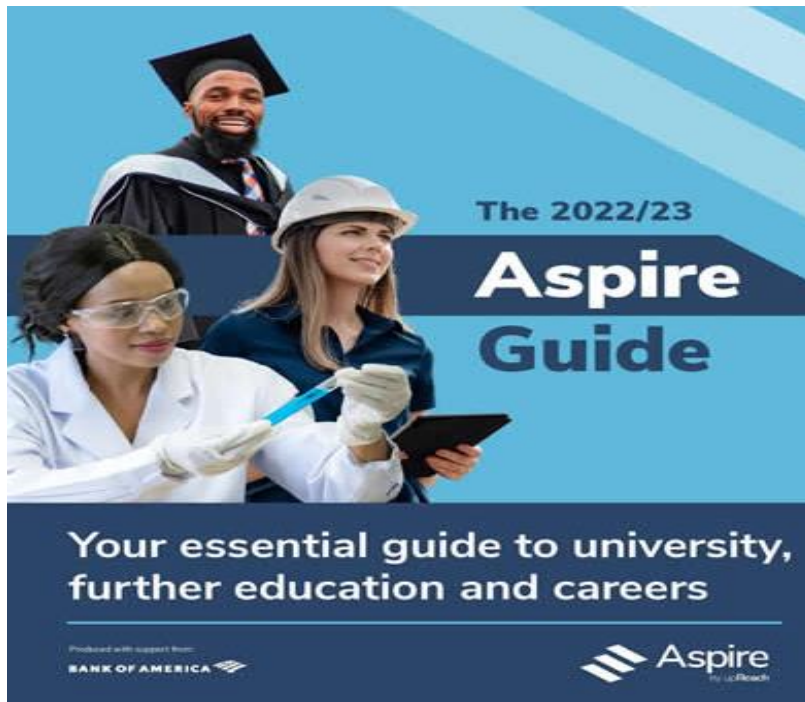

A free parents guide to National Careers Week!

[Click to download](#) (email required to view).

The team at National Careers Week are hosting a Virtual Careers Fair where a range of employers and Post-16 providers are able to provide information on various different job roles, courses and apprenticeships after leaving school. This is a great opportunity for careers research and employer engagement!

The careers fair goes live from Monday 6th March; simply visit <https://ncw2023.co.uk/> (no registration required!)

Aiming for university?

Or possibly a degree level apprenticeship?

Check out the [Aspire Guide](#) aimed at KS4/5 pupils and parents who are considering options post-16.

Is your child considering a career within Software Engineering?

Lloyds Banking Group are holding an online session for pupils informing them of career opportunities within software engineering, including input from existing staff within the company and a live Q&A talk.

The talk takes place on Tuesday 7th March, 6-7pm.

Please [register online](#) to book your place.

Additional Careers Online resources!

In addition to the above activities, the following key websites are also recommended for careers research for pupils & their families:

- [National Careers Service](#)
- [BBC Bitesize Careers](#)
- [UCAS](#)
- [Prospects](#)
- [iCould](#) (younger pupils might like to try the [Buzz Quiz!](#))
- [Career Pilot](#)

Should any pupils wish to further about careers, Mr Farmer (careers adviser) is available in school for further questions and support, or can be emailed: simon.farmer@consilium-at.com

Happy careers week! #NCW2023
