

Moorside High School

Enriching Lives, Inspiring Ambitions

March 2023

Dear Parent / Carer

As part of the **Geography GCSE Course**, we will be taking a **walk around the local area** following a circular path along Deans Road and the East Lancashire Road and then back to school in the following lessons:

11A1 Thursday 16th March period 4.

11B1 Wednesday 15th March period 5.

11C1 Wednesday 15th March 2023 period 1.

The aim of this walk is to collect fieldwork data, for the human fieldwork section, that pupils must undertake as part of paper 3. The theme of this piece of work is transport issues and effectiveness in Salford and the Greater Manchester area and they will be taking photographs of traffic management systems, completing traffic surveys and monitoring noise and air pollution.

We will need permission for your child to attend this walk which can be provided via the **parent pay app**. If you do not have access to this app, please email me your written consent to the email address provided below.

We expect the highest standards of behaviour when students are walking around the local area as they will be in full school uniform.

Pupils will also be bringing a questionnaire home to gather your thoughts on current transport issues, and we would be grateful if you could support pupils in filling these in and returning them to school promptly.

Please let me know if there are any specific requirements you wish to discuss regarding the walk via email at the address below.

May I also take this opportunity to thank you for your continued support with Year 11, it is greatly appreciated, and we are really proud of their hard work and dedication in preparing for and completing their recent mock exams.

Yours faithfully,

S Leadbeater

Mrs S Leadbeater
