Enriching Lives, Inspiring Ambitions

March 2023

Dear Parent/Carer

Ref: Year 11 Aspirations Conference. Wednesday 29th March 16:00-17:00

As you are aware, our Year 11 students are very close now to the end of their school career and we are excited to see how they move forward with their post 16 journey. To continue to support them on their journey, we have our Mock Interview Day planned for all Year 11 students on Friday 31st March and Mr Farmer has circulated information regarding this. Over the past few months, we have also facilitated talks from local apprenticeships and career routes within Manchester along with one to one sessions with Mr Farmer supporting with applications.

We are pleased to share that we have another exciting opportunity available for Year 11 students on Wednesday 29th March 2023, 16:00-17:00. As a school we have been able to organise a range of professionals from various sectors to come and talk to students about their roles and what their career path looks like to date. This particular event will be suited most to those students who are aspiring to take a more academic route via level 4 apprenticeships or university and is aimed to inspire and motivate students to aspire to achieve the best grades possible at this crucial point in their academic journey. Whilst this event has been shared with all Year 11 students, your child has been highlighted as one of the Aspiration group of our CARE quadrant who we feel would really benefit from listening to the professionals and the exciting opportunities that lie ahead.

The evening will be held in our school's performance hall, where speakers will present to the audience, followed by a light buffet with the opportunity for students to ask questions and chat to the professionals. We hope that listening to professionals talking about their career paths will encourage everyone to go above and beyond in trying their very best in the upcoming GCSE exams.

We are aiming to put more events on over the coming weeks for the different CARE quadrants and already have some sessions planned within the school day. As numbers unfortunately are limited for this event, places will be reserved on a first come basis, however, the Aspiration Care Quadrant will have priority at the event. To reserve a place for your child, please complete the attached form and return to school by Monday 27th March 2022.

If you require any further information, please do not hesitate to contact myself via the school email address MHSinfo@consilium-at.com

Thank you for your continued support.

Mrs Nesfield
