

Moorside High School

Enriching Lives, Inspiring Ambitions

June 2023

Dear Parent/Carer

The Salford Nursing Team have requested our help in identifying how best they can support our students. On Tuesday 4th July 2023, Year 9 students will complete a School Health Needs Assessment with questions about their health and lifestyle, only members of the School Health Team will be able to see the individual responses. This will be completed electronically and will take around 1hr30minutes to complete, students will be supervised whilst completing.

If there are any responses that indicate the young person may have a particular health issue, they will be individually followed up in school by the School Health Team.

It is hoped that health themes will be identified by the students and an action plan can then be put in place to help support, educate, and address these issues in school using school health and various other partner agencies as appropriate.

If you have any questions, please email mhsinfo@consilium-at.com

Thank you for your continued support.

Yours faithfully

Mr C Birchall
Head of Year
