- Continental Breakfast
- Pizza Express Evening Meal
- Use of coach for all pre - arranged visits.
- Jack the Ripper tour
- London Dungeons

Not included in the price: lunch for the second day & spending money. The evening meal drink includes a drink, pupils can purchase other drinks during the meal.

The trip will take place between the Monday 15th and returning on Tuesday 16th July 2024. The company we will be using to organise the trip is Adaptable Travel which has become one of the leading educational tour operators specializing in tailor-made travel and subject specific conferences for students based in the UK. Should you wish your child to be involved in this exciting trip, please complete the consent form on www.parentpay.com along with a £100 deposit by **Friday 20th October 2023**. There are currently 25 available places as there will also be 15 Year 10 students attending as part of the GCSE environmental study. If more pupils apply for the places, we will look at requesting additional places or holding a ballot for places. If less than 40 students show interest, the price may be increased. We would need a minimum of 30 to run the trip. We will let you know if the trip is to run as soon as possible.

Yours faithfully
