Dear Parent/Carer,

RE: 'Make It Stick – Helping your child to revise' and Careers Fair

We are delighted to invite our Year 11 Parents and Carers to our Make It Stick – helping your child to revise presentation and Careers Fair, on Thursday 2nd November, 5:00pm until 7:00pm.

The Careers Fair will be situated in the Atrium and will be available to parents and students from 5:00pm. This will be an opportunity to meet with several employers and apprenticeship providers, to browse and discuss various career pathways and prospects. On the evening between 5:30pm and 6:15pm in the Sports Hall, there will also be a 'Make It Stick' presentation. This will be for parents only, as all students will receive this presentation during an assembly. Students will have the opportunity to spend this time speaking to the colleges and Post 16 providers.

The focus of the presentation for parents will be around sharing practical advice and strategies that will enable you to support your child with revision for their forthcoming January mock exams and GCSE examinations. As part of our approach in preparing your child for the GCSE examination period this year, we have identified key revision strategies which you may find useful when assisting them with their revision. Our aim for the evening will be to give you a complete guide through several tried-and-tested strategies, which you can use at home with your child. It is hoped that you will gain valuable insight into how we encourage our students to revise and that one, or most, of these revision techniques will be useful when helping your child prepare for the mock examinations in January and the GCSE examinations in May/June.

The following providers are some of those who will be joining us on the evening to promote their opportunities:

Salford City College

Bolton College

Access Creative

MIFA NHS

Adept Design Ltd

Apprenticeships (SCC)

Edge Hill University

Salford Care Organisation
