Dear Parent/Carer

Re: Year 11 English Workshop for Year 11 students and their Parent/Carer

I am delighted to invite you and your child to a Parent/Carer/Student Workshop in school. The aim of the workshop is to support your child in preparation for the English Literature and English Language GCSE examinations.

We would like to offer you the opportunity to understand the demands of these examinations, to give you expert tips and useful revision strategies to further support you and your child.

The workshop will take place in the English Department on:

Wednesday 17th April from 5pm to 6:30pm.

There will be three workshops, each lasting 30 minutes and these will be delivered by members of the English Department. The workshops will cover:

- Approaching Macbeth and revision
- How to revise and prepare for comparing poetry from the Eduqas anthology
- How to write an engaging transactional piece of writing

At the end of the session, we will also provide you with a resource pack for you to take home to support your child over the final weeks before the exams begin. We hope that this workshop will give you and the students the best possible preparation them to be successful in their English examinations. To register for the workshops, please visit ParentPay by following this link: www.parentpay.com.

Thank you for your continued support.

Kind regards

Ms Adele Ghelichi
Director of English
