Enriching Lives, Inspiring Ambitions

26th September 2024

Dear Parent/Carer,

RE: 'Make it stick – Helping your child to revise' and Careers Fair

We are delighted to invite our Year 11 Parents and Carers to our Make it Stick – helping your child to revise presentation and Careers Fair, on Tuesday 8th October, 5:00pm until 7:00pm.

The Careers Fair will be situated in the Hub/Atrium and will be available to parents and students from 5:00pm. This will be an opportunity to meet with several employers and apprenticeship providers, to browse and discuss various career pathways and prospects. On the evening between 5:30pm and 6:15pm in the Sports Hall, there will also be a 'Make it stick' presentation.

The focus of the presentation will be around sharing practical advice and strategies that will enable you to support your child with revision for their forthcoming November mock exams and GCSE examinations. As part of our approach in preparing your child for the GCSE examination period this year, we have identified key revision strategies, which you may find useful when assisting them with their revision. Our aim for the evening will be to give you a complete guide through several tried-and-tested strategies, which you can use at home with your child. It is hoped that you will gain valuable insight into how we encourage our students to revise and that one, or most, of these revision techniques will be useful when helping your child prepare for the mock examinations in November/December and the GCSE examinations in May/June.

The following providers are some of those who will be joining us on the evening to promote their opportunities:

Salford City College	Winstanley College
Bolton College	Oakwood Engineering Ltd
The Manchester College	Trafford College
MIFA NHS	Xaverian College
The Growth Company	The Sixth Form Bolton
Trafford & Stockport College	Access Creative College
Great Places Housing Group	Alliance Learning
Think Employment LTD	Edge Hill University
RAF	Smart Works
Northern Care Alliance	Myerscough College
Greater Manchester Higher	Apprenticeships at Salford City College
Manchester International Football Academy	Catch 22
Nicky Oliver Training Academy	Department for Work and Pension

We hope you are able to join us on the evening of the 8th October 2024 and look forward to welcoming you to our careers fair and 'Make It Stick' presentation.

Thank you for your continued support.

Kind Regards

Miss K Atken

Head of Year 11
