## #Team Moorside Parent 04.10.24

Dear Parent/Carer,

It has been lovely this week to welcome our prospective Year 7 students to our school Open Evening. We saw over 550 goodie bags given out and on Thursday 3<sup>rd</sup> October, Moorside High School was a hive of activity. From crazy experiments in science to musicians and trampolining, there was something for everyone. Our student helpers were a credit to us and their families. I would like to say a huge thank you to all staff and students for their hard work on this evening. The feedback we have received was so positive and everyone mentioned how amazing our students were, but we already know that. If you have a child or you know of a family that are interested in joining Moorside High School, September 2025, please do encourage them to visit our Transition section on the school website.

This week we welcomed our Post 16 providers into school to provide information to Year 11 on what is available after school life. The assemblies were extremely informative and hopefully showed the students what they can aspire to aim for at the end of Year 11. Next week we are welcoming our Year 11 parents back into school for our 'Make it Stick' evening on Tuesday 8<sup>th</sup> October. This evening will be a combination of our Careers Fair alongside a presentation to provide information about ways students can study, what they will need to focus on and how parents can support their child through the final year in school. Parents will be provided with the Year 11 Mock Examination Timetable, along with a booklet full of hints and tips on how to be prepared. More information has been sent to Year 11 parents, to access this, please click [here](#).

Finally, next week is Mental Health Awareness week. Talking about our mental health can help us cope better with life's ups and downs. So, next week, we will be encouraging both staff and students to check in with friends, family, peers, and colleagues. There are going to be many activities running including Mental Health Awareness assemblies, Kooth.com will have a stand in the Atrium during lunch time so students can drop in, our Year 10 and Year 7 students will be taking part in the #BeeWell Survey and there will be a Cake and Kindness stand where students and staff can leave notes of appreciation and show their gratitude for each other.

We do have a dedicated section on the school website to support and signpost for Mental Health & Well-Being. There are lots of links to websites that can support improving wellbeing, resilience and decrease stress. There are also leaflets to support with staying safe online and online wellbeing. Please [click here to access the webpage on the school website](#). If you have concerns

around your child's mental health or wellbeing, or you feel as a parent/carer you need some support, please do not hesitate to contact us at [MHSinfo@consilium-at.com](mailto:MHSinfo@consilium-at.com) where we will do everything we can to support.

Thank you for your continued support.  
Have a lovely weekend

Mrs Ryles-Dean  
Headteacher

### Thank you

Thank you to all our parents and carers that reminded students to be socially responsible following the flooding of the subway. Staff were on hand to support, and they were blown away with how responsible our students were on Tuesday morning. Not one student crossed the East Lancashire Road, they all walked to the footbridge as instructed. Thank you to those parents/carers that emailed in to share with us the issue, it allowed us to put a plan in place straight away. We also involved the local police, who informed the highways agency as well. Hopefully now the council will support with the drainage in the subway, so we will not be in this position again.

## Poetry Competition

To celebrate National Poetry Day on the 3<sup>rd</sup> October, students are invited to write a poem for Young Writers with the theme - The Beautiful Truth. The theme is open to interpretation, so students don't have to literally reveal a secret. They can write about something that matters to them, something that is their truth. Some examples may include:

- Identity – what makes you unique? What do you want people to know?
- Hobbies, likes or dislikes
- Hopes, dreams and ambitions – what do you aspire to?
- Nature – environment, climate change, pollution, conservation

Students must make sure their name and form are on their work and submit to Miss Smith in the library. The closing date for entry is Thursday 17<sup>th</sup> October 2024. Good luck to everyone who wants to be involved.

## Additional Inset Day – Students not in school

On Monday 18<sup>th</sup> November, school will be closed. Each year, schools have five Inset Days across the year. Dates for this year are:

- Monday 2<sup>nd</sup> September 2024
- Tuesday 3<sup>rd</sup> September 2024
- Monday 18<sup>th</sup> November 2024
- Monday 6<sup>th</sup> January 2025
- Friday 4<sup>th</sup> April 2025

All term dates can be found on the school website or by clicking [here](#). The term dates for 2025/26 are also available, although the Inset Days have not yet been confirmed. It is highly likely that Monday 1<sup>st</sup> September 2025 and Tuesday 2<sup>nd</sup> September 2025 will be Inset Days. If you are planning on booking a holiday for 2025, please do always email us to check school dates so you can avoid booking when students are in school.

## Year 11 GCSE Drama Performance Evening - Wednesday 16<sup>th</sup> October

Year 11 GCSE Drama students have been working exceptionally hard on their final GCSE devising pieces, which they will be performing on **Wednesday 16th October**. We would love for you to join us on this evening to watch the culmination of months of hard work! The evening will begin at 6pm in the Performance Hall and is open to all parents/carers, friends and family of the students involved to come along and celebrate the student's work. Please be advised that this is a formal exam, and students will be marked on the night. This mark will form part of their final GCSE grade. Please also be advised that some of the performances contain mature themes and language and therefore may not be appropriate for young children.

## Legally Blonde and Christams Concert Auditions

We are really excited to announce that Moorside High School will be performing Legally Blonde the Musical at Easter 2025. Auditions are taking place on Monday after school in the Performance Hall. Please do encourage your child to take part in this fantastic opportunity.

We also have auditions for our Christmas Concert, these will take place on Wednesday 16<sup>th</sup> October, 3pm onwards in B211.

We are really thrilled to have these two events to look forward to and we cannot wait to see all the students get involved.

## **Black History Month 2024**

October marks Black History Month in the UK, and this year's theme is 'Reclaiming Narratives'. The Black History Month site describes this year's theme as:

"A commitment to correcting historical inaccuracies and showcasing the untold success stories and the full complexity of Black heritage. It's about taking control of our stories and honouring our heroes while challenging the narratives that have often overlooked the contributions and achievements of Black individuals both in the UK and globally".

To celebrate this year's theme at Moorside we will be reclaiming narratives of some outstanding black individuals who have contributed to the history of this country. Narratives which have either been overlooked or forgotten. By reclaiming these narratives, we honour the past, empower the present, and inspire the future.

### **The Story of Olive Morris**

Olive Morris, a name we don't hear often, but a voice that echoed for many. Olive was born in Jamaica and moved to the UK in the 1960s. She became a fearless activist for Black rights and women's rights. She co-founded the Brixton Black Women's Group and fought tirelessly against racism and inequality.

She stood tall, even when the world tried to bring her down. At 17, Olive was arrested for defending a Nigerian diplomat (who had been arrested after being accused of stealing his own car!) against police brutality, and instead of staying silent, she used her voice louder than ever. She was only 27 when she died, but her spirit lives on in every protest, every movement for justice.

Today, we reclaim her story and remind everyone that young voices have the power to change the world.

### **Amazing Apprenticeships.**

The Amazing Apprenticeships website offers a wealth of opportunities for students to explore various career paths through engaging webinars. These sessions cover a wide range of industries, providing insights into different apprenticeships and career options. Whether your child is interested in technology, healthcare, engineering, or creative sectors, the website hosts regular webinars featuring industry experts, offering invaluable guidance and inspiration for those looking to start their professional journeys. Please take the time to look at the website—it's an excellent resource for exploring future careers and making informed decisions. <https://amazingapprenticeships.com/>

### **Year 7 Parent's Evening**

Our Year 7 Parent's Evening takes place on Thursday 17<sup>th</sup> October and bookings are now open. Parents will be able to book appointments via school cloud. For more information and a helpful guide to booking appointments, please click [here](#).

### **Education and Training after GCSEs –**

#### **Thursday 17th October, 6pm-7pm, Swinton Gateway (or online)**

SIASS and the Skills and Work Team will be hosting the first of three events over the academic year aimed at school leavers (and those already in FE who might not be sure of next steps) who have SEND, and want to know what education, employment and training opportunities are available across the city. This informative workshop goes through the different types and levels of courses and has a particular focus on those with additional needs.

The session will be delivered online at Swinton Gateway (parents/carers must book on for numbers) or can be accessed virtually by e-mailing [SIASS@salford.gov.uk](mailto:SIASS@salford.gov.uk) and a link will be sent out to parents, carers and young people.

**EDUCATION AND TRAINING AFTER GCSE'S**

Information session to learn more about the options available to young people after year 11.

You can join us in person at Swinton Gateway, or online by e-mailing: [SIASS@salford.gov.uk](mailto:SIASS@salford.gov.uk) to book onto the session

## WOW Wednesday

It was another WOW Wednesday this week again, more and more students are bringing their work down to the Atrium. Please do not forget to remind your child to bring any work that makes them feel proud to Mrs Nesfield in the Atrium at lunch. Wonderful Work is shared with staff, and students are awarded stickers, postcards and a small prize. This week saw a big queue of students ready to show us their proudest pieces, including brilliant work on sequences in Maths and many examples of speech writing in English. We are looking forward to seeing more next week.

## Wider Curriculum & Year 11 Intervention Sessions

## Silent Reminder

# SILENT REMINDER WE SPEAK POLITELY TO EACH OTHER

### Rules

- Speak to people the way you would want to be spoken to.
- When asking for something, say "Please."
- When receiving something, say "Thank you."
- Do not interrupt staff who are speaking with each other unless there is an emergency. They will notice you and respond when they are finished talking.
- If you do need to get somebody's attention right away, the phrase "excuse me" is the most polite way for you to enter the conversation.
- Verbal abuse to staff will not be tolerated.

### Why

- Politeness is important because it shows people that we value and respect them
- Every member of staff is either a daughter, son, mum, dad, brother, sister, auntie or uncle, no one deserves to be verbally abused, think about how you would feel if it was a member of your family?

## Important - Attendance Matters

With the introduction of the new National Framework for Penalty Notices, the following changes came into force for Penalty Notice Fines issued for unauthorised holidays recorded by schools after 19th August 2024.

**MOMENTS  
MATTER,  
ATTENDANCE  
COUNTS.**

### **Who may be fined?**

Penalty Notice Fines are issued to each parent who allows their child to be absent from school. For example: 3 siblings absent for term time leave, would result in each parent who allowed the holiday receiving 3 separate fines.

### **National Threshold**

**There will be a single consistent national threshold for when a penalty notice must be considered by all schools in England of 10 sessions (usually equivalent to 5 school days) of unauthorised absence within a rolling 10 school week period.** For example: a 5-day holiday would meet the national threshold. The 10-school week period can span different terms or school years.

### **First Offence**

The first time a Penalty Notice is issued for an unauthorised term time holiday the fine amount will be: £80 per parent, per child if paid within 21 days. Increasing to £160 if paid between days 22-28.

### **Second Offence (within 3 years)**

The Second time a Penalty Notice is issued for unauthorised absence the amount will be: £160 per parent (who allowed the holiday), per child, payable within 28 days.

### **Third Offence and Any Further Offences (within 3 years)**

The third time an offence is committed a Penalty Notice will not be issued and local authorities will need to consider other available measures to address the absence concerns. This may mean that cases are presented before a Magistrate's Court. Prosecution can result in criminal records and fines of up to £2,500.

Cases found guilty in the Magistrates' Court can show on the parent's future DBS certificate due to 'failure to safeguard a child's education'.

If your child's attendance is a concern, we will always try and offer support before fines are issued. Our attendance and pastoral team are discreet, and we encourage you to work with us to ensure your child gets the most out of their time with us. If you have any questions related to this, you can find all the guidance at:

## Y11s: Information for College & Sixth Form open events

Open Events are really important to attend if you are thinking of doing further studies after your GCSEs. It is your chance to RESEARCH different places and courses and find out what options are best for **YOU**.

Even if you are not thinking of this pathway (for example if you want to do an apprenticeship instead) it is still important to consider researching colleges or sixth form as a backup plan; so still try and visit a few places!

- Before you attend an open event, it is a good idea to do some research first – check on the college or sixth form website to see if they offer the courses you are interested in – this can also help explore different options if you are not sure what courses you want to do yet
- You can attend as many open events as you like – in fact, it is a good idea to attend at least 2 or 3 different places so you can make a fair comparison
- You are welcome to bring along family members and friends (just double check college websites in case you need to register for tickets!)
- Make sure you ask lots of questions – for example you might have questions about different courses, about the **entry requirements** (what GCSE grades you might need) or questions on careers or university. **Don't be afraid to ask the colleges if you have any questions or worries – they will be happy to help!** 😊
- There is no commitment to apply to a college or sixth form at an open event, though you may be able to do this on the day if you wish (college application deadlines are typically around Christmas time and you can request support with this in school)

## Careers Advice & Guidance

All Y11 pupils will be offered a **Careers Guidance Meeting** with Mr Farmer, the school careers adviser, from September 2024 onwards to discuss future plans after school.

Mr Farmer is available in Moorside High Monday, Tuesdays and Wednesdays and is based in the Careers Office  
(2<sup>nd</sup> floor, Next to B202 Music room – near Humanities!)

To request a meeting with Mr Farmer, students can see him in school or ask your form teacher to request this for you. You can also request a meeting through Miss Aitken or Mrs Gandy, Heads of Year 11.

Y11 Parents & Carers are also welcome to contact Mr Farmer for any help or support – Mr Farmer can be contacted at school via phone (0161 804 4022) or by email – [simon.farmer@consilium-at.com](mailto:simon.farmer@consilium-at.com).
