

Moorside High School

Enriching Lives, Inspiring Ambitions

28 February 2025

Dear Parents/Carer

Moorside High School is excited to be one of the host schools for The National Theatre school's tour of *The LeftBehinds*. Set in a post-apocalyptic future, *The LeftBehinds* follows a group of unlikely heroes on a high-energy quest across a desolate wasteland to rebuild an android, unlock its power, and save the planet. The National Theatre is performing in only a small number of schools in the Greater Manchester area, and we are so pleased that they have chosen to visit Moorside High School on Monday 3rd March.

Please be aware that the play contains the following:

- Themes of ecological disaster and parental loss, including grief and references to death
- Stylised violence with non-realistic toy weapons (painted Nerft gund with accompanying space-blaster sound effects)
- Loud sound effects, including explosions
- Strobe lighting (may affect photosensitive viewers)
- Occasional mild bad language
- Scatological humour, including jokes about flatulence.

We are delighted that your child will have the opportunity to experience this exciting live theatre event, and we are confident that they will come home full of information about the performance to share with you.

Thank you for your continued support.

Kind regards,

Mrs K Ross
