WELCOME TO #TEAMMOORSIDE!

We know moving school can be a really exciting time, but you may also feel a little nervous or anxious about coming to secondary school.

To help with this, we would like you to complete our friendship form. Write three friends names and we will do our best to put you in a form with at least one of these. Please include their full name.

**Please scan the QR Code and complete
by the 23rd May.**
