Enriching Lives, Inspiring Ambitions

April 2025

Ref: Year 10 – Help your child to revise session.

Dear Parent/Carer

Following feedback from previous events, it was highlighted that it is often inconvenient for parents/carers to come into school early in the evening for events that sometimes can only last 40-45 minutes. We have therefore decided to trial an electronic presentation for Year 10 Parents/Carers on how you can best support your child in the run up to the Year 10 End of Year Exams. This was initially planned to be an in-person event, so we hope that this alternative way supports the feedback we have received.

At the start of Year 11 we will have an in-person Information and Guidance Evening which will provide you with all the information for your child's final year at Moorside High School. We will also, during the first term, have a 'Make it Stick' evening about how you can support your child preparing/revising for their first set of Mock Exams.

Towards the end of next week, you will receive a link to a pre-recorded presentation that you will be able to watch with your child and then refer to at your leisure. There will be an opportunity to give feedback on the presentation, and we would welcome your thoughts to see if you would prefer future information evenings to be presented in this manner.

When you receive the link, if you have any issues accessing it, please do not hesitate to contact us at MHSinfo@consilium-at.com

Thank you for your continued support.

Kind Regards

Mr J Pinches
