Enriching Lives, Inspiring Ambitions

April 2025

Ref: VE Day Celebrations

Dear Parent/Carer,

Moorside High School is hoping to mark the 80th anniversary of VE Day on Thursday 8th May by compiling a digital **'wall of honour'** on our screens relating to WWII. We would like as many students and their families to contribute to this project as possible...

Did a member of your family make some kind of contribution to WWII and, if so, do you have a **photo** of this person that you would be happy for us to display (a photo of a photo is absolutely fine – we do not need the original)? Ideally you would email this photo to us, together with a **very brief outline** of how this person is related to your child and what their contribution was. The person does not have to be a soldier, sailor or airman – munitions workers, nurses etc. are fine too! We would love to include people from various countries if possible. Please send any photos and accompanying information to MHSinfo@consilium-at.com

We look forward to hearing from as many families as possible. Thank you for your continued support and if you have any further questions, please do not hesitate to contact me directly.

Kind Regards

Mr L Day
