Enriching Lives, Inspiring Ambitions

May 2025

Dear Parent/Carer

We are fast approaching the final couple of weeks in school for Year 11. The students have shown great resilience and have displayed impeccable conduct throughout the exam period so far.

As previously communicated, to support the students over the final few weeks, we will be continuing with our normal timetable, up until and including Tuesday 10th June. As the large exams for all students will have nearly finished, following this date, students will not be expected in school apart from to attend any last drop revision sessions that staff are providing, intervention sessions or they have an exam. All students are welcome to attend the last drop revision sessions which will take place the day before the final few subject exams. Most subjects will also be providing a pre-exam preparation session on the day of the exam. The aim of these sessions is to reassure, motivate and answer any final worries the students may have. Further details of the arrangements from the 11<sup>th</sup> of June, can be found on the attached table and details of the pre-exam and last drop sessions are on the school website.

From Wednesday 11<sup>th</sup> June, there will be supervised study rooms available in school for students to come and use all day, should they wish to continue to study in school. If students choose to use this facility, they must ensure that they have subject work to complete and revise from.

Arrangements from Wednesday 11<sup>th</sup> June:

- All students must attend exams, revision sessions and independent study sessions in full school uniform.
- For morning exams, students should register as usual in form rooms on the maths corridor.
- For afternoon exams, students will be registered in the exam venues.
- If students are attending a revision session or using the independent study room, they must sign in on the sheets at reception.
- When students are leaving the site, after an exam, revision session or using the independent study room, they must sign out on the sheets at reception and go straight home. They must not hang around in the local community.
- Students may only sign in and out ONCE during the day, they cannot leave site and then come back.
- Students sitting an exam must ensure that they arrive in plenty of time, to ensure they have a calm and settled start to their exam.

It is paramount that we know which students are on site at any given time, for safeguarding reasons, so please ensure that you stress the importance of signing in and out to your child. The students have been given this information in an assembly today.

If your child is eligible for Free School Meals, please do encourage them to study in school so they can have their lunch with us.

On Thursday 19<sup>th</sup> June, Year 11 are invited to their final leavers' assembly. Students should arrive in school for 8.25am in full uniform. They may **bring a spare shirt** to be signed. Students will have time together with breakfast and then at 9.30am, they will attend an assembly celebrating their time at Moorside High School. Year 11 will then leave site at 10.15am with a Guard of Honour to Deans Road.

We then look forward to celebrating with the class of 2025 at the Prom at The Marriott.

Thank you for your continued support.

Kind regards

Miss C Smalley
