The purpose of this evening is to provide you with key information on how you can best support your child as they begin their GCSE/Key Stage 4 courses. We will share details about the systems and support in place and give guidance on how to help your child succeed during this important stage of their education.

The evening will cover a range of areas including:

- Our Purpose

- Study support strategies and revision guidance
- Preparing to be Successful
- The Wider Curriculum
- Where it leads to – Post 16

Please be assured that your child will receive all the necessary information during the school day, and all correspondence will also be available on the school website. Individual subject teachers will not be present at this event.
