Enriching Lives, Inspiring Ambitions

Dear Parent/Carer,

Exciting Opportunity: Free Audible Access for Year 9 Students

We are delighted to share that our school is taking part in an exciting six-month research project in partnership with **Audible** and the **National Literacy Trust**. The project explores how audiobooks can support learning and improve reading ages for Year 9 students.

As part of this pilot, your child will receive:

- **Free access to Audible Premium Plus for six months**
- **Six audiobook credits** (one per month) to choose and keep titles even after the project ends
- Access to the **Audible Plus catalogue**, which includes over 14,000 titles

Our goal is to have students signed up **before the Christmas holidays**, so they can enjoy audiobooks over the festive break with their families.

How to Sign Up:

1. Visit the landing page: <https://www.audible.co.uk/ep/contentforgood>
2. Enter your details and use the school code: **NLTCON1**
3. Please allow up to 12 hours for account activation.

To make this easier, we've attached a QR code for quick access.

If you experience any technical issues, please contact Audible directly at contentforgood@audible.com. For any other questions or suggestions, feel free to get in touch with us at school, we'd love to hear your ideas on how to make this project even more impactful!

Thank you for supporting this exciting opportunity to inspire a love of reading in new and innovative ways.

Kind regards,

Miss Ghelichi
