

1st September 2026

Dear Parent/Carer

Year 11 Information & Guidance Evening – Make It Stick

Tuesday 8th September 2026 - 5:00–6:00pm

I am delighted to invite you, as a parent/carer of a Year 11 student, to our Year 11 Information and Guidance – Make It Stick Evening on Tuesday 8th September at 5:00pm in the Sports Hall. The evening will finish no later than 6:00pm.

The purpose of this evening is to provide you with key information on how you can best support your child as they begin their final GCSE year with us. We will share details about the systems and support in place and provide guidance on how you can help your child succeed during this important stage of their education.

The focus of the presentation will be on sharing practical advice and strategies that will enable you to support your child with revision for their forthcoming mock examinations and GCSE examinations. As part of our approach to preparing your child for the GCSE examination period, we have identified key revision strategies that you may find useful when assisting them with their revision.

Our aim is to provide you with a practical guide to several tried-and-tested strategies that you can use at home with your child. You will gain an insight into how we encourage our students to revise, and we hope that one or more of these revision techniques will be useful when helping your child prepare for their mock examinations throughout the year and, ultimately, their GCSE examinations in May/June.

This evening is designed for parents/carers only. To ensure we can accommodate everyone, we kindly ask that students do not attend. Please be assured that your child will receive all the necessary information during the school day, and all correspondence will also be available on the school website. Individual subject teachers will not be present at this event.

We look forward to welcoming you on Tuesday 8th September at 5:00pm.

Kind regards,

Mr J Pinches
Assistant Principal
