

October 2026

Careers Fair (KS4)

Dear Parent/ Carer,

As part of our ongoing Careers Education, Information, Advice and Guidance (CEIAG) programme at Moorside High School, we are pleased to invite Year 9, 10 and 11 students and their parents/carers to our Careers Fair.

The Careers Fair will take place on **Wednesday 14th October 2026** at Moorside High School in the Sports Hall and will provide students and families with the opportunity to speak directly with a range of employers, colleges, universities, apprenticeship providers and other organisations about future opportunities. We hope this will be a valuable opportunity for students to begin exploring different career pathways, find out more about the world of work and start thinking about their next steps beyond school.

Careers Fair timings

To ensure that the event is accessible to all of our students, we have introduced a quieter session specifically for our SEND students and their parents/carers:

- 4.00-4.20pm - Careers presentation for SEND students and parents/carers from our SENDCO and Careers Adviser
- 4.20-4.45pm - Quieter Careers Fair for SEND students and parents/carers
- 4.45-6.00pm - General Careers Fair for Year 10 and 11 students and parents/carers

There will be a wide range of organisations attending, giving students the chance to ask questions, explore different pathways and find out more about the opportunities available to them. We would particularly encourage Year 11 students and their parents/carers to attend as they begin to consider their Post-16 options, but the event will also be valuable for Year 10 students as they begin to explore their interests and future careers.

Should parents/carers have any questions about the Careers Fair or require any further careers support during the year, please email mhsinfo@consilium-at.com.

We look forward to welcoming you and your children to what we hope will be a really useful and informative evening.

Kind regards,

Miss K Aitken
Assistant Principal

Mr S Farmer
Careers Adviser

Miss H Farooq
Business & Employer Engagement Officer
